ABOUT THE COMPANY

HM Electrotech India Pvt. Ltd., under its flagship brand HM GOLD, is redefining electrical solutions for modern infrastructure. With a strong foundation in quality, innovation and reliability, the company delivers a comprehensive range of products designed to meet the dynamic needs of residential, commercial and industrial spaces.

Every HM GOLD product is engineered with precision and built using high-grade materials to ensure safety, durability and consistent performance. From core wiring systems to essential electrical components, we provide solutions that power spaces efficiently and reliably.

OUR VISION

To become a trusted leader in the electrical industry by setting new benchmarks in quality, innovation and performance, while powering the future of modern infrastructure.

OUR MISSION

- To deliver high-quality electrical products that ensure safety, efficiency and long-term reliability
- To continuously innovate and upgrade our product range to meet evolving industry standards
- To build lasting relationships with customers, partners and professionals through trust and performance
- To provide a complete electrical ecosystem under one strong and dependable brand

OUR VALUES

Quality First

We prioritize superior materials and strict quality control in every product.

Reliability

Our products are designed to perform consistently in real-world conditions.

Innovation

We adapt to changing technologies and evolving infrastructure needs.

Customer Focus

We aim to deliver solutions that truly add value to our customers and partners.

Powering modern infrastructure with a complete, intelligently engineered electrical ecosystem.

OUR STRENGTH

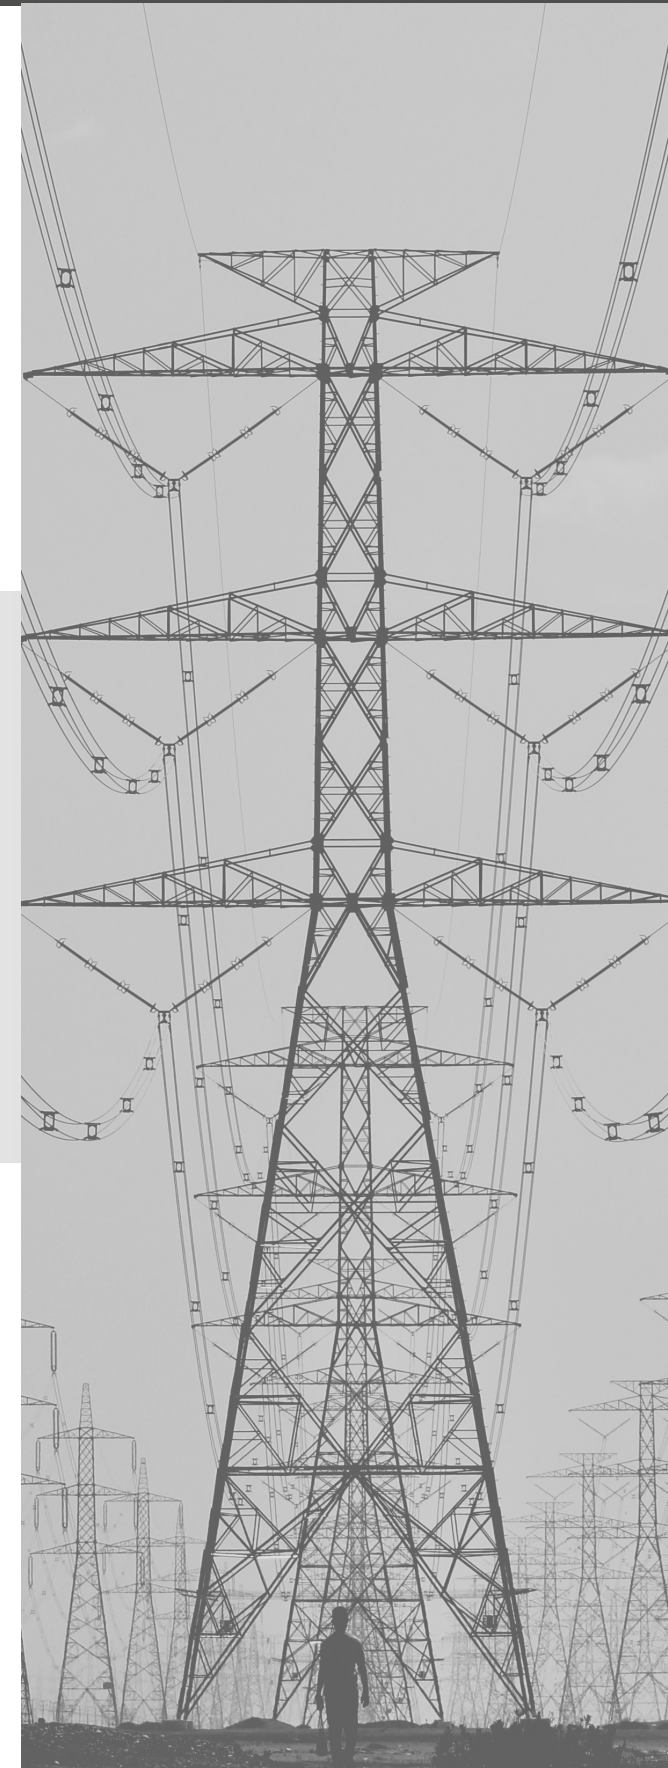

HM GOLD offers a wide spectrum of products including wires & cables, conduit systems, electrical boxes, insulation tapes and ceiling solutions — all designed to work seamlessly together.

QUALITY COMMITMENT

Engineered for Performance.

Built for Trust.

Every product undergoes stringent quality checks to ensure it meets modern safety standards and delivers long-lasting performance across applications.

OUR PRODUCT RANGE

01

**FRLS
Cables**

04

**PVC Conduit
Pipe**

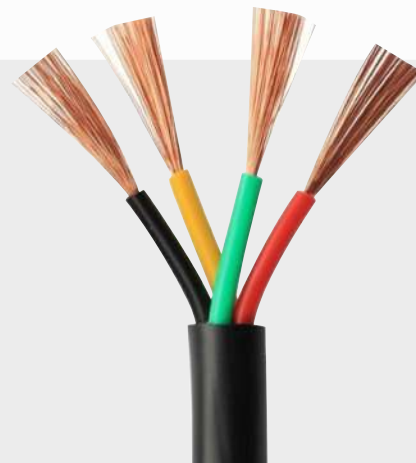

05

**PVC Long
Bends**

02

**Multicore
Copper**

06

**PVC Surface
& Deep
Junction Box**

03

**Submersible
Flat PVC
Insulated
Cables**

07

**PVC Concealed
Box**

Modular G1 Box

08

12

**PVC Casing
& Caping**

09

G1 Fan Box

13

**Aluminium
Armoured & Non
Armoured
Cables**

10
